

Crayke Chronicle

Friday 26th January

Rocks N' Pops

The children who have taken part in Rocks N' Pops have really enjoyed their first two sessions. It's wonderful to hear the children taking part in such a wide range of musical activities.

Unfortunately, at this point, it is not possible to add any additional pupils to the sessions.

Head Lice

Unfortunately there are several cases of head lice in school. Please could all parents check their children and if necessary, take remedial action with the whole family.

[Click here](#) to open the NHS website with information regarding how to treat head lice.

Teacher Discussions

If you need to speak to your child's class teacher please don't hesitate to arrange an appointment via the school office. It is not always possible/convenient to do the aforementioned at the start of the school day.

Where's Church this week?

Sunday January 28th

10.30am Holy Communion at Yearsley

6.30pm Evensong at Crayke

Advance notice: the next family service at Crayke is next week: February 4th

Did you know that your churches are always willing to pray for you? Let me know if there is anything you would like adding to our prayer list.

With best wishes,
Revd Liz

In Class 1, the children will be able to be acknowledged as Whizz of the week...

Whizz of the Week

Class 1 - Alice Unsworth

Each week a child will be selected from our classes to receive the title of *Maths Whizz of the Week* or *English Expert of the Week*. Congratulations to this week's children...

Maths Whizz of the Week

Class 2 - Teddy Hill

Class 3 - Alfie Pinchon-Watson

Class 4 - Megan Sharp

English Expert of the Week

Class 2 - Maisie Short

Class 3 - Christopher Rangeley

Class 4 - Jack Bain

Team Points

This week's winners are:

Blue Team

At Crayke Church of England Primary School, we have our own news team, 'The Roving Reporters.' The team is made up of children from School Council. The Roving Reporter's articles will be included in the Crayke Chronicle.

Roving Reporters

On the 15th January, class 4 participated in a trip to York Minster. When we got there we all saw how magnificent it was going to be. The stained glass windows were amazing and full of colour; we found out that there were over 2 million pieces of glass. There were many shapes of stained glass like, the heart of York; it is called that because it is in the middle of York. There were also five long windows with different drawings on them, they are called The Five Sisters. It took about two hundred and fifty years to take out, clean and put back every single piece of glass.

We looked around at the incredible facts and then went to a place called The Chapter House; it was an octagonal shaped room with seats around the edges, carved into them were names. After this we went into the Crypt, it was a dark place underground built to strengthen the building as it was going to fall over.
