

Crayke Church of England Primary School

Parents' Homework Questionnaire

As you are aware we wanted to strike a balance between keeping the core weekly homework that we set for the children and giving them an element of choice by suggesting a range of more practical activities, often related to the class topic, which we hope will have extended and enriched their learning. The staff have really enjoyed looking at the quality and diversity of the homework produced as a result of the grid of challenges.

We would appreciate it if you could complete and return this questionnaire to school. Please feel free to contribute any views, ideas and suggestions you think would help to enhance homework at Crayke.

Please remember that this is not a substitute for coming into school to speak to me about any uncertainties you may have at any time.

Thank you in anticipation for taking the time to complete this.

Mr. A Buttery
