

Crayke Chronicle

Friday 2nd February

Music for Life

Children throughout the school enjoyed a series of wonderful performances and workshops on Thursday. The day was started with a performance assembly which allowed everyone to learn more about percussion instruments.

Following this, Class Three produced their own compositions based on the structure of the human body. Class 4 were then inspired by the music of South America. The aforementioned allowed the children to demonstrate a range of different musical skills to the rest of the school in a final performance.

I would like to say a massive thank you to Janet Fulton from Sowerby Music for her invaluable contribution to the day.

We have had a special RE themed day in school today. Please look out for additional information on our website and in next week's Chronicle...
