Safer Internet Day 2018

As part of Safer Internet Day (Tuesday 6th February) children throughout the school, thought about and investigated, how important it is to stay safe on-line. Children and young people spend a lot of time on-line; it can be a great way for them to socialise, explore and have fun. However, children do also face risks such as cyber bullying or seeing content that's inappropriate.

Eleanor Ward's poster contains some really useful advice...

R.E. Day

Last Friday was a special day for Crayke C of E Primary School because we had an R.E. day and it lasted the whole day. We had four activities and they were: painting memories on stones with Mrs Dobson, outdoor tree dressing our hopes for the future with Mrs Rayner, making Christingles with Mrs Chandler and finally we talked to four special visitors who were two Muslim ladies, a Christian and a Humanist (who was Mr Buttery`s old English teacher!)

We finished off our amazing day with a Christingle service with Mrs Sheppard and Rev. Liz and all of the staff. We each lit our Christingles, which was magical! We all really enjoyed the special day and love that we get to see our memory pebbles and our hopes on the tree in our playground.
