World Book Day Thursday 1st March

We are looking forward to celebrating World Book Day on Thursday 1st March; this year we will be following the theme of 'Where's Wally?' It would be wonderful if the children could dress up as something with this theme, however, please don't worry if this is not possible.

There will be a range of 'Where's Wally?' and other book-related activities on the day. There are lots of creative costume ideas online and we hope you have fun preparing for our celebrations.

Please look out for the £1 vouchers that will be brought home this afternoon.

Healthy Snacks

The school operates a healthy snacks policy whereby children choosing to bring a snack for break time should choose fresh fruit or vegetables. Children have been bringing Bear Pure Fruit Yo Yos into school, these are permitted.

The Foundation and KS1 children receive fruit and vegetables, offered under the government initiative to provide all infants with free fruit and vegetables during the day.

Blue Peter Club Emblem

I was very pleased to receive a letter and emblem from Blue Peter on Monday. It would appear that they were contacted by "staff and students" at our school, to acknowledge my work as Headteacher.

This is extremely humbling and I would like to thank those staff and children responsible for sending the letter.

Visit from Wiggington Dental Practice

On Tuesday 20th of February, Class Three had two dentists visit us to teach us about teeth (we are beginning to learn about teeth in our science lessons). Reception were also visited.

The dentists brought in models of teeth and we learned how to brush our teeth correctly. Another activity was learning about which foods will protect or damage our teeth and how long to brush them for. Also, Class Three got to brush their teeth in class and guess when 2 minutes was up. It was great fun and also really useful.

At the end the dentists gave us all goody bags with a tooth brush, a 2 minute timer and a chart to make sure you brush your teeth.
