

PLEASE HELP!!

And make a child SMILE!!

We have supported needy children/teens in Ghana for 1 8 years

Please can you donate unwanted trainers, football boots, school shoes,
children's reading books and your spare mobile phones?

A pair of shoes means a child can attend school , reading books are precious and football boots mean they don't have to play their favourite game in bare feet !

All donations will be sent to Ghana in August. THANK YOU!!
