

# Crayke Chronicle

Friday 13th July

## Year 6 SATs Results

I would like to congratulate our Year 6 pupils on their outstanding SATs results.

Thank you to parents/carers and staff for supporting each and every one of them throughout their time at Crayke, culminating in superb grades. I will add a full overview of the results to our website as soon as this is possible.

## Bee-bots

I would like to thank CHASA for funding six new Bee-bots and a charging station (Class Two have really enjoyed using these this week).

Here's what Ted & Sein had to say: "Everybody was really excited about using the Bee-bots! We used algorithms to program them - it was great learning about both computing and maths."

## Where's Church this week?

### **Sunday July 15th**

10.30am Morning Service at Brandsby - All welcome. Church services continue over the summer, but this newsletter does not! If you want to find out where and when we are meeting, please go to [www.achurchnearyou.com](http://www.achurchnearyou.com) and put the name of the village in the search box.

Best wishes,  
Revd Liz

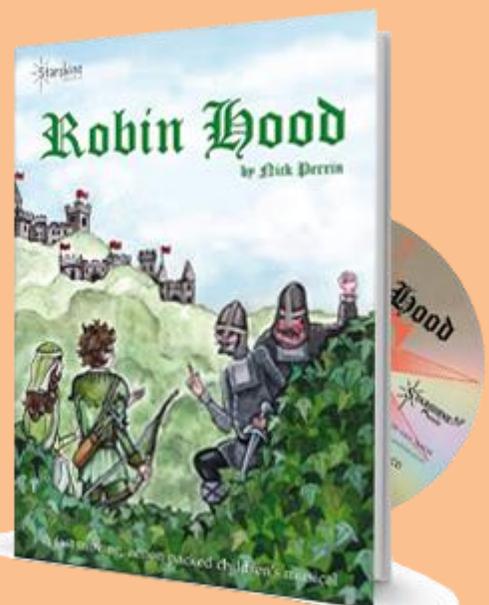

## Robin Hood

Pupils & staff in Key Stage Two having been working hard to rehearse for our summer production of Robin Hood. Following the dress rehearsal on Monday 16<sup>th</sup> July there will be the opportunity to watch the play on Tuesday 17<sup>th</sup> at 2pm and Wednesday 18<sup>th</sup> at 6pm.

Children in classes 1 & 2 will have the opportunity to see the play during school time on Monday 16<sup>th</sup>. Due to the popularity of the summer production, both the afternoon and evening performances are extremely busy and we would be grateful, therefore, if older children who have already seen the performance could refrain from attending again in the evening.

The hall is always extremely busy for the evening performance so, if possible, I would be grateful if as many people as possible could take advantage of the Tuesday afternoon performance.

Please remember to park in Crayke Sports Hall on both occasions to ease the traffic congestion, and enter the school via the front entrance.

In Class 1, the children will be able to be acknowledged as Whizz of the week...

### Whizz of the Week

**Class 1 - Ava Sharples**

Each week a child will be selected from our classes to receive the title of *Maths Whizz of the Week* or *English Expert of the Week*. Congratulations to this week's children...

### Maths Whizz of the Week

**Class 2 - Sebastian Hindley**

**Class 3 - Olivia McAdoo**

**Class 4 - All Year 6 children for fantastic SATS results**

### English Expert of the Week

**Class 2 - Ethan Hutton**

**Class 3 - Charlie McAdoo**

**Class 4 - All Year 6 children for fantastic SATS results**

### Friends of Chernobyl's Children

As a result of today's non-uniform donations, a total of £97.65 has been raised so far. Thank you for your support.

### Summer Reading Challenge

I just wanted to remind everyone that Summer Reading Challenge is currently available to all children. The challenge takes place every year during the summer holidays. You can sign up at your local library, then read six library books of your choice, collecting stickers and other rewards along the way.

This year the challenge is called *Mischief Makers*, inspired by the much-loved children's title *Beano*, which celebrates its 80th anniversary.

Children will explore a map of Beanotown to find the mysterious buried treasure and become ultimate mischief makers! Dennis, Gnasher and friends will help them solve clues and collect stickers, having lots of fun and adventures along the way...

Further information can be found at: <https://summerreadingchallenge.org.uk/>
