

# Crayke Chronicle

Friday 10th May

## Parents' Questionnaire

As part of our annual cycle of self-evaluation, we are as usual keen to seek the views of parents/carers regarding the strengths of the school and suggested areas for further development. We would appreciate it if you could complete and return this questionnaire to school; your views are very important to us.

The questionnaire will be brought home by your child today - there is also an online version available (see website post). Please return it to the school office, in the envelope provided, by **Friday 21<sup>st</sup> June**.

## Year 6 SATs

We hope that you will help us to support your child through next week to ensure that it is a positive experience for them and gives them every opportunity to do their very best and fulfil their potential. You can help your child in the following ways:

- Ensure your child gets plenty of rest and sleep the night before SATs week and throughout the week.
- Make sure your child eats a suitable breakfast each morning. It is important that all pupils feel comfortable and relaxed when taking the tests.
- Ensure your child attends school each day during the SATs week and is at school on time: the tests start promptly after 9am. Children should not be kept at home for minor illnesses such as colds. Every effort needs to be made to ensure all children attend school this week.
- Encourage your child to appreciate the seriousness of these tests. Remind them that you, like us, expect them to do their very best...
- ...but do make sure your child does not worry about them! Yes - they are important tests! Yes - they DO need to do their very best in them - but their best is good enough for us! No - they aren't worth losing sleep over or getting upset about!
- Encourage your child to have fun and be what they are at the end of the day: children. We do not find it beneficial to cram in revision work the weekend before the tests. Our pupils need to remember that they are very well prepared...

## Where's Church this week?

*At Crayke Church of England Primary School, we have our own news team, 'The Roving Reporters.' The team is made up of children from School Council. The Roving Reporter's articles will be included in the Crayke Chronicle.*

### **Roving Reporters**

Over the last two weeks, Year 3 and 4 have been taking part in a 'Battle of the Bands' against each other. At the same time, Year 5 and 6 have also been battling each other, on Times Table Rock Stars.

Whoever is now winning could change as there is still 1 day left (at the time of writing.) In first place there is Year 4s with 13,865 points. In second place is Year 3s with 8,847 points. The Year 6s have 7,700 points and year 5s have 6,332 points so overall Year 4s are winning by 5,018 points. The competition ends at the end of Friday (today,) so it could all change.

**This Roving Report was by Annie and Holly.**
