

PLEASE HELP!!

And make a child SMILE!!

We have supported needy children/teens in Ghana for 18 years

Please can you donate unwanted trainers, football boots, school shoes,
children's reading books and your spare mobile phones?

A pair of shoes means a child can attend school, reading books are precious and football boots mean they don't have to play their favourite game in bare feet!

All donations will be sent to Ghana in August. THANK YOU!!
