THIS IS FREE MONEY FOR US!

A very simple and effective way we can all raise money for school (which really works!) is by registering on [easyfundraising.org](https://www.easyfundraising.org).

By nominating Crayke school when ever you shop online school receives a donation from the retailer. To date we have raised £5436 and that's by simply clicking on [easyfundraising.org](https://www.easyfundraising.org) to direct you to your online retailer.

Flights / Holidays / weekly shops / clothing etc most retailers are on there!

This is minimal effort however together the funds really do add up. If you shop online please join and nominate Crayke C of E School as your chosen charity.
