

DENIM FOR DEMENTIA

"Lets unite and wear denim for the day in the fight against dementia"

Anna McIntee is calling on schools and businesses across Harrogate area to unite in the fight against dementia and wear denim for the day.

24th January 2020

Donate £1 to Alzheimer's Society

Behind the fun, there's a serious reason to be part of Denim for Dementia. With someone in the UK developing it every three minutes, dementia is set to be the 21st century's biggest killer. It's the biggest health challenge we face today.

Thank you.
