**'TRY YOUR BEST IN EVERYTHING YOU DO'**

*Respect Friendship Forgiveness Determination*

Dear Parents and Carers,

It has been lovely to have the opportunity to celebrate the children's wider achievements in our Friday worship and I have encouraged them to continue to bring in certificates, medals, trophies and so on from their out of school activities. An enormous well done to **Percy** who was very proud of his Blue Peter badge!

Also, a big well done to **Class 1** who have been learning Makaton and were very keen to share this skill – they can now sign to several songs including 'Roar' by Katy Perry. If you would like a treat, Google 'Makaton Car Park Karaoke' and prepare to be impressed when your child joins in!

Thank you to Mrs Rayner for organising a fabulous **World Book Day** celebration this week – all the masks were a sight to behold! Thanks also to Mrs Chandler for leading the **SATs information** evening last night; if you weren't able to attend the meeting and would like the information, please do check the website as the materials have been uploaded on there.

Before half term, in the Meet and Greet session, parents requested some ideas about how to support reading at home, so hopefully you found the video clip on the website useful. Mrs Dobson has kindly agreed to lead a meeting on this on **Wednesday 25<sup>th</sup> March at 3:30pm** – all parents and carers from Classes 1 and 2 are welcome to attend and a crèche will be provided for any children as needed during the meeting.

Finally, just a reminder (if you haven't already done so), to sign up for an appointment for a parent consultation evening next Tuesday or Wednesday. If you are unable to attend on either of these days, please let Mrs Bacon know and we will make alternative arrangements with your child's class teacher.

Wishing you all an enjoyable weekend.

## Highlights of the week

**Class 1** spent World Book Day thinking about pirate adventures and made pirate hats, flags and treasure chests and even walked the plank! **Class 2** enjoyed creating a mini film to accompany 'We are going on a Bear Hunt' for World Book Day. **Class 3** have been learning how to use their knowledge of multiplying and dividing by 10, 100 and 1000 to help them convert units of length. **Class 4** have been continuing their work on fractions this week. Year 6 really enjoyed their Bikeability sessions and there were some great masks for World Book Day.
