

1st June 2020 Under the sea

<p>Talk about what sort of things you find under the sea. Which is your favourite? Draw a picture and write a sentence 'I like'. Could you extend your sentence to say why you like it best?</p> 	<p>Look on your bookshelf, do you have any books about the sea? 'The Snail and the whale', 'Sharing a shell' or 'Tiddler'. See how many you can find. Are you able to retell the story to someone in your family?</p> 	<p>Can you think of any songs that you know about the seaside? 1,2,3,4,5 once I caught a fish alive. There is an old song called 'Oh I do like to be beside the seaside'. Call Granny/Grandpa/a friend to see if they know it.</p> 
<p>Have a movie night, watch 'Finding Nemo' or 'The Little Mermaid'. What did you like about the film? Which was your favourite character?</p> 	<p>Make a fishing game. You could put numbers/keywords on your fish. Attach a paper clip to the fish. Make a fishing rod using a stick, string and a magnet. If you don't have a magnet, just put something heavy on the end of your line. Whichever fish it lands on, is the one you have caught.</p> 	<p>Can you find a big cardboard box or a washing basket? You could decorate it to make a boat. Go on an adventure, what do you see? Be careful that you don't fall into the sea. What might you need to take on your adventure? You could write a list to make sure you don't forget anything.</p> 

<p>Walk around your garden, look for things that you think might sink and things that might float. Predict which objects you think will float or sink. Either at the sink or with a bucket of water, test your predictions. Were you right? Why do some objects sink? Why do some objects float?</p> 	<p>Hide cvc (fox, box, cat, bat, hat) words around the garden or house. Send your child off to find them. Get them to sound them out once they find them. They could write a list of the ones that they can find. They could also write you some to find.</p> <table border="1" data-bbox="1028 373 1230 643"> <tbody> <tr> <td>bed</td> <td>men</td> <td>bib</td> </tr> <tr> <td>leg</td> <td>pen</td> <td>pit</td> </tr> <tr> <td>peg</td> <td>ten</td> <td>dig</td> </tr> <tr> <td>hem</td> <td>jet</td> <td>rib</td> </tr> <tr> <td>den</td> <td>pet</td> <td>fin</td> </tr> <tr> <td>hen</td> <td>net</td> <td>pig</td> </tr> </tbody> </table>	bed	men	bib	leg	pen	pit	peg	ten	dig	hem	jet	rib	den	pet	fin	hen	net	pig	<p>Make a junk model sea creature or treasure chest.</p> 
bed	men	bib																		
leg	pen	pit																		
peg	ten	dig																		
hem	jet	rib																		
den	pet	fin																		
hen	net	pig																		
<p>Talk about your last visit to the seaside. Where did you go? Who did you go with? What did you see? Did you make anything whilst you were there? What was the weather like?</p> 	<p>Cut out some circles and triangles. Can your child remember what shape they are? Can they draw patterns on them? Can they make them into fish? Make an under the sea collage</p> 	<p>Practise writing your letters and numbers in the sand.</p> 																		

Lots of activities are available on Twinkl
