

Would you have kept your child off school before COVID-19?

YES

NO

Keep your child off school.

Do they have:

- 1) A new and continuous cough? This means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours.
- 2) A high temperature of 37.8 degrees Celsius or above (gov.uk).
- 3) A loss or change to sense of smell or taste? This means they cannot smell or taste anything, or things smell or taste different to normal.

YES

Keep your child off school and at home.

Speak to 119 or go to the www.gov.uk/coronavirus website and arrange a self test to be done.

Your child and your household must self-isolate until you have the result of the test.

Please inform school of your result.

NO

Does your child have an underlying chronic medical condition such as Cystic Fibrosis?

YES

NO

Speak to their specialist team about testing criteria if you haven't already seen or spoken to them or had a letter in the post advising you what to do.

Children who are otherwise well with:

- Runny nose
- Sore throat without a fever
- Mild colds

Can go to school as normal.
